## Head Teacher Weekly Update

As we enter a new month, I always look ahead on the calendar to upcoming events. This always makes me smile in relation to what we are able to offer for the children. Examples of events I am looking forward to are when parents are invited in to see their children's work (2.45 – 3.15pm on Tuesday 26th March) and our termly Aspirations afternoon on Friday 22nd March, which links to the 'A' (Aspirational about a future job or career) of our FAB Curriculum offer. This is where a visitor comes in to speak to children in each class in relation to their job or career, which is a link to the children's learning from this term. Children always enjoy these sessions and realising why their learning will help them on a pathway to various careers.

This week, I have continued meeting staff, with a focus on all staff other than Teachers, to discuss their Professional Growth and opportunities for development this year.

On Wednesday, our staff meeting focus was another meeting in relation to Mastering Number, which is an additional short Maths session each day all about the 'number' element of Maths, recognising how a number can be made and how it can be a part of other numbers, for example.

On Thursday, I enjoyed seeing the children (and staff) dressed as book characters for World Book Day! That afternoon and evening I took our choir to a performance in Truro, known as SongFest, which we take part in each academic year. It was a pleasure to accompany the children and see them perform, as they were fantastic, and I thank Mrs Cooper and Mrs Williams for preparing the children during their after-school club each week. This was a (very) late evening, but the children were superbly behaved, a credit to themselves, their parents and our school. They even remained exceptionally behaved when children from other schools started being silly.

I am looking forward to Mr Harwood offering a girls football session during the school day on Friday to Key Stage 2 girls, as this is part of our offer for International Women's Day, which takes place then (Friday 8th March). Children will also have read a specific book in their class from our reading spine this week which links to International Women's Day. Finally, just a reminder that children SHOULD NOT have mobile phones in school. Where these are absolutely necessary, for a specific reason, a Mobile Phone Policy was written by myself and approved by Governors recently, and this is on our school website (or copies can be obtained from the school office) if you wish to read this short policy which explains what must happen if a child does need to bring a phone to school.

I hope you all have a lovely weekend. Best wishes to everyone in our community,

Mr M Nicholls (Headteacher)

# Parent Governor Vacancy

We currently have a vacancy for one parent governor and are seeking nominations for an enthusiastic and committed parent or carer to join the governing board. Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing board is aware of the views of parents and the local community. If you feel this is something you are able to commit to (around an hour each month), please visit the office to ask Miss Tucker or Mrs Houston for a nomination form.

## Staffing

Miss Morton has now started her Maternity Leave and we wish her well. A reminder, as sent last week, in terms of how Miss Morton's roles will be covered at Nanpean School, Mrs Cooper and Miss Brotherhood will be working additional days to cover the class for the remainder of the Spring Term. This will mean that on a Monday and Tuesday, Mrs Cooper will teach Hendra Class (she will continue to teach Prosper Class on a Wednesday - Friday). On a Wednesday morning and Thursday Miss Brotherhood will teach Hendra Class (she will continue to teach Prosper Class on a Monday and Tuesday). Miss Morrison will teach the class as normal on a Wednesday afternoon and Friday. I appreciate staff who already know the children and school doing the additional days as it means there is consistency for the children. In the Summer Term (after Easter), Mrs Montgomery-Smith will be joining as Year 1 Teacher and Assistant Headteacher on a temporary basis to cover Miss Morton's roles in school.

# Weekly Home Debate

This week, the weekly debate asks if there should be a legal age for drinking energy drinks. Please access this via the link below. This was also posted on Class Dojo at the beginning of the week.

<https://bigdebateclub.com/debate/should-there-be-a-legal-age-for-teens-to-drink-energy-drinks/>

I hope you enjoy discussing and debating this and I look forward to hearing your views. I will comment on any views I hear in the following week's newsletter and will also share a new debate topic to discuss then!

Last week, the debate asked if social media improves or impedes communication. Lots of interesting comments in relation to this, including how social media is a tool for communication, so should improve this. However, some people also said that social media use has 'taken over' and this has meant that they don't communicate as much verbally. I personally know family members that use social media, and they are always 'on their phone', meaning general verbal communication with them is difficult, so I actually think social media has had a negative impact on communication!

## Parent's Forum

**The next parents forum meeting, for this half term, when parents are able to meet with Mr Nicholls to discuss positives and ideas for further improvement in relation to Nanpean School, is on Friday 15th March at 9am. Mr Nicholls hopes many parents can attend for this discussion.**

## Book Look

As parent consultations are virtual meetings done via the school cloud system, following these we always invite parents to classrooms to look at their child(ren)'s work. This has been set for 2.45 - 3.15pm on Tuesday 26th March. We look forward to seeing many parents in school visiting their child(ren)'s classroom(s) then.

## Easter Celebrations!!

## Family Worker Drop-In Session

The Early Help Team will be running some Family Drop in Sessions here at school. The next session is on Thursday 21st March at 3pm. These sessions are open to any parents / carers of children who attend Nanpean School.

## Snell Cup

'Our girls netball team went to Brannel this morning to compete in this years Snell Cup. Thankfully the weather was on our side in terms of dryness but the strength of the wind was certainly against us! Unluckily, we ended up playing all except one of our games was outside! Playing netball in such strong winds is extremely challenging but the girls stayed strong and gave it their all.

The morning started off with a 4-0 win over St Wenn, followed by 3-0 defeat against St Stephen, a 2-0 defeat against St Dennis and a 2-1 defeat against Roche. Our final game saw us move inside against Whitemoor. The girls went into the game with total determination to put in a strong performance and they succeeded, securing themselves a 5-2 victory. Overall we placed 4th.

'I'd like to congratulate the girls personally for their commitment to netball club and for always doing their best. I really hope they continue with the sport in secondary school and go far with it.' - Mrs Houston - Netball Coach

'Today's Snell Cup was played in windy conditions, which didn't help Nanpean's passing football style. Teo early goals from St Stephen put the team on the back foot, but we were stronger in the 2nd half.

St Dennis was a repeat from the previous match, but a goal from Alfie B got them back in the game, however, a second goal excluded the team.

The next match was against Whitemoor, which finished 1-1 with Alfie B scoring the goal.

The final match was a 3-0 defeat to Roche.

All players gave 100% and player of the tournament went to Alfie B for leading and driving the team on..

Final Scores:

St Stephen 2 - 0 Nanpean

St Dennis 2 - 1 Nanpean

Whitemoor 1 - 1 Nanpean

Roche 3 - 0 Nanpean'

Mr Harwood - Football Coach
