HEADTEACHER'S MESSAGE

Dear Parents and Carers,

Welcome back! We hope you had a restful and enjoyable half-term break. It's been a fantastic week here at school.

A special shout-out to our Year 6 pupils, who have been brilliant in their Bikeability training. Many of them have successfully ridden on the roads, building confidence and essential skills for cycling safely. Well done, Year 6!

Looking ahead, we are excited about World Book Day on Thursday, 6th March! This year we are encouraging you to come to school in your pyjamas ready for a bedtime story. Also, from 9-9.30am on this day, you are invited to DEAR time (Drop Everything and Read). You can come to the hall for a cup of tea/coffee and enjoy some time reading with your child/children. Please make sure they go to registration as normal at 8.45am. They will then come to the hall to meet you at 9am.

We're also looking forward to seeing many more Wooden Spoon Characters brought in by the children.

I've also seen some amazing learning taking place in classrooms this week – it's wonderful to witness the progress and enthusiasm from all the pupils.

Please read the letter regarding Parent Evening Appointments -the system is a little different this time. Wishing everyone a lovely and relaxing weekend ahead. We look forward to another great week of learning!

Miss Rachel Nile

ATTENDANCE

Every moment counts at school. By attending school and arriving on time, children can maximise their learning potential. Please ensure that the children arrive promptly at 8:45am, ready to start the first lesson at 9am, this will ensure that they do not miss out on valuable learning time. Your support to prioritise regular school attendance and punctuality is greatly appreciated.

If your child is ill please remember to call the office, stating the reason why they are off before 9am. You will need to do this for each day of absence.

WORLD BOOK DAY 2025

World Book Day 2025 will take place on Thursday 6th March 2025. To celebrate, we would like to invite the children to come dressed based on the theme 'Bedtime Stories'. The children can come to school in their comfiest bedtime clothes. Slippers are not recommended as they will not be suitable for the playground.

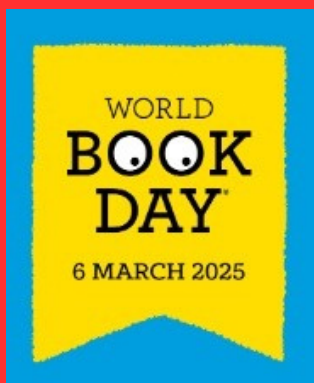

From 9-9.30am on this day, you are invited to DEAR time (Drop Everything and Read). You can come to the hall for a cup of tea/coffee and enjoy some time reading with your child/children. Please make sure they go to registration as normal at 8.45am. They will then come to the hall to meet you at 9am.

Throughout the rest of the day, the children will enjoy sharing books with children from other classes and will have a 'Bedtime Story' read to them by a teacher in the school who does not usually teach them.

WORLD BOOK DAY COMPETITION: We would like to invite your child/children to design a book character on a wooden spoon/stick to represent their favourite story. These entries must be received by Monday 3rd March.

All entries will receive a certificate and there will be a book prize for a KS1 and KS2 entry.

Please make sure all entries go to the school office and are clearly labelled with your child's name and year group.

SAFER INTERNET DAY

On the 11th February the pupils across the school took part in Safer Internet Day. The theme of the day was 'Too good to be true? Protecting yourself and others from scams online'.

Each class took part in an assembly, looking at the scams they may see on their devices and what they can do when they see them. There was also time to talk about trusted adults they can talk to if they see something that worries them online at school and at home.

The children took part in a range of activities, provided by the UK Internet Safety Centre, that helped them to think about how to spot a scam and the emotions they would feel. The Year 6 pupils also discussed the term 'Phishing' and learnt how to spot this online. We recognise that staying safe online is a hugely important issue. It is something that we regularly discuss as part of our regular computing lessons not just on Safer Internet Day.

BIKEABILITY

Our Year 6 children had a great time completing their Bikeability Course this week.
