ENGLISH

- Each fortnight you will get chance to write a text that we have already studied this year in Drinnick. For the next two weeks you will be writing a play script. We first looked at these at the beginning of our Midsummer Night's Dream project. You can be completely creative and set your play script wherever you like, but please include a minimum of three characters.
- Logon to the following website. Each day the picture will be completely different! Scroll down and up level the 'Sick Sentences' for the given picture:
<http://www.pobble365.com/>

TOPIC

Our topic for this term is based around The Olympics. Imagine Nanpean is going to be the host village for the 2024 Olympic Games! I would like you to be the chief designer for the games and create unique designs for the following:

The official logo (<https://www.findthatlogo.com/summer-olympic-logo-collection/>)

The torch (<https://www.olympic.org/olympic-torch-relay>)

The mascot for the games (<https://www.olympic.org/mascots>)

The medal (<https://www.olympic.org/olympic-medals>)

Every version of both the Summer and Winter Olympics has its own variations of these important features. Check the links in brackets to view previous designs. Think carefully about what each aspect must contain and how you could personalise them to be unique to Nanpean 2024.
