

# Year 5 Home Learning Tasks

Email or Class Dojo messenger can be used to contact me to support with home learning or any questions you may have (8.45-3.10 Mon-Fri).

[mtonkin@nanpean.cornwall.sch.uk](mailto:mtonkin@nanpean.cornwall.sch.uk)

Please be aware that Mr Tonkin is in school with a group on a Wednesday and Thursday and therefore may not be able to reply until the Friday. If your query requires a quick response, please contact Miss Morton instead.

Follow the link on the school Facebook and website page to access your free parent Twinkl account. This will give you access to thousands of resources.

## TOPIC

As well as the Summer Olympic Games, there are also the **Paralympic** and **Winter Olympic** Games. I would like you to choose **one** of these editions and find out all about it. To showcase your new knowledge, I'd like you to create an information page/ poster of your **Top Ten Paralympic/ Winter Olympic Facts**. If you prefer, you could always create a slide show (such as PowerPoint) or record a video to share your facts.

### Things to consider:

What makes these Games unique?

When and where will the next editions be held?

What type of sports are included in these Games? Which of these would you like to try?

Who are the most famous or successful Paralympic/ Winter Olympic athletes?

Who are some of Team GB's most successful Paralympic/ Winter Olympic athletes?

## READING

1. Please find the time to read for at least 30 minutes per day. Don't forget to quiz!

## ENGLISH

1. Each fortnight you will get chance to write a text that we have already studied this year in Drinnick. Linked to our topic work, this time we will be writing newspaper reports. Imagine, at some point in the future, you have just won a gold medal and set a new world record at The Summer Olympics, Paralympics or Winter Olympic Games (you can choose!). Which sport/ event did you compete in? I'd like you to write a newspaper report detailing your amazing success. Remember to create a catchy headline and include a picture (with caption, of course).

2. Practise your spellings as often as possible using your login for the following site:

## MATHS

For the next two weeks, here are some sporting-themed maths problems to get your brains around. They get trickier and will require some logical thinking and systematic working. Support for adults can be found under the 'Getting started' and 'Solutions' links in the top left corner of the web pages.
